

دفتر خدمات کاربایی

هدف اصلی دفتر خدمات کاربایی کمک به محصلان و فارغان بمنظور رسیدن به برتری علمی و مسلکی می باشد. این دفتر با ارائه خدمات کاربایی و برنامه های ویژه به محصلان و فارغان کمک می کند تا به اهداف شغلی خود نایل گردند. ما با دایر کردن ورکشاپ های آموزشی، برنامه های رشد مهارت ها و فراهم کردن زمینه کار، شما را همکاری می کنیم تا به موفقیت های کاری دست یابید.

ما با استفاده از ایده های خلاقانه فاصله میان بازار کار و محصلان را کاهش می دهیم و فرصت های کاری را برای محصلان و فارغان پوهنتون کاردان فراهم می کنیم.

خدمات دفتر کاربایی

همکاری با محصلان برای دریافت شغل مناسب

آموزش های ویژه برای محیط کار

برگزاری نمایشگاه های کار

Students' Testimonials:

Arezu Yaqubi
BCS '18, Intern at TechNation

Gaining practical experience in one's own field of study is a great start to a professional career. With support from Kardan University's Office of Career Services, I joined TechNation Technology Company as an intern. I am greatly thankful for this.

Patman Ahmadzai
BCS '17, Intern at GIZ

I am thankful to the Office of Career Services for facilitating an internship opportunity for me at GIZ. I am looking forward to practically utilizing what I have learnt in theory at the university.

OFFICE OF
CAREER SERVICES

Career Services

A wide range of programs and services are offered to help our students and alumni reach their career goals while at Kardan University and after they graduate.

Employment Services

Helping students and alumni with their careers by offering internships and job opportunities.

Work-Study Program

We offer part-time employment within Kardan University campuses for students who have financial limitations.

Training Workshops

We organize training for students and alumni such as resume and cover letter writing, interview techniques, career goals setting, e-mail writing and communication skills.

Career Counseling

Career Counseling is the process of advising students and alumni on setting career goals and selecting the right careers aligned with their field of interests.

Aspiring for an exciting career in a successful organization? Contact us for advice and guidance. We are here to assist and guide you towards a meaningful career in public and private sectors.

Introduction

The office of Career Services at Kardan University assists students and alumni in achieving their career goals through a range of programs and services. From training workshops to professional development programs and employment-specific support, we are here to help you accomplish personal and professional success.

We bridge the gap between the academia and job market through creative initiatives like:

- Connecting students and alumni to employment and internship opportunities
- Providing students and alumni opportunities to participate in job readiness and capacity building
- Organizing career-related counseling, seminars and programs to equip students for lifelong career development
