Staff Profile

Mr. Mohammad Agha who is one of hardworking, punctual, and committed employees says, "I always think about organizational benefits in everything I do. Unlike many organizations, Kardan duly recognizes and appreciates staff for their hard work and contribution."

Mohammad Agha joined Kardan University with no degree on hand and limited professional experience. He is now pursuing a Diploma in English Language at Kardan University and his bachelor's in Journalism.

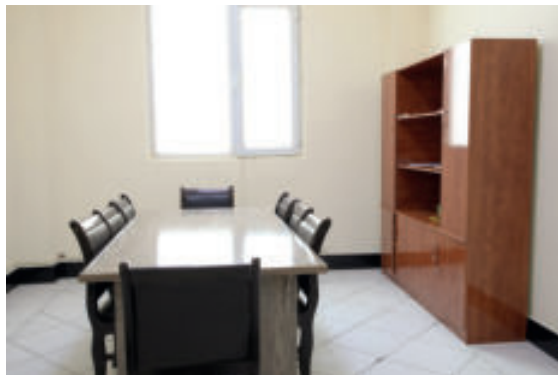

Mohammad Agha added, "This is not where I will stop. I have big dreams and I am determined to pursue them. When asked, he said, "The most gratifying part of my job is to help new people get admission at Kardan University and shape their lives."

Mohammad Agha added, "Kardan University is a place where my dreams came true!"

Faculty Room

Kardan University Administration Team renovated faculty room for Diploma Program on Sixth Floor, Taimani Campus. Great Job!

E - Services

Mr. Mohammad Sharif, the Administration and Inventory Officer:

As Kardan University focuses on digitalization, I would like to ask all colleagues across the university to use online platform for procurement, repair and IT requests. The online platform is a convenient way to make online request instantly and receive the relevant service in a timely manner.
