Reflection

As I reflect on my journey at Kardan University, I am filled with a deep sense of gratitude and pride. The opportunities for growth, the vibrant academic atmosphere, and the support from the university community have been instrumental in shaping my career and personal development. I am excited to continue contributing to Kardan's mission of providing exceptional education and fostering a passion for knowledge within the field of Political Science. In conclusion, Kardan University continues to inspire me with its vibrant atmosphere and efficient approach to education.

From my initial role as a lecturer to my current position as the Academic Administrator of the Political Science department, I am honored to be part of an institution that values professional growth and supports its staff members.

The experiences and knowledge gained at Kardan will undoubtedly shape my future endeavors and further ignite my commitment to excellence in education.

Jalal Bazwan
Academic Administrator

New Employee's Introduction

Samiulhaq Qaderi

Enrollment Officer

It is our pleasure to introduce Mr. Samiulhaq Qaderi, who recently joined us as an Enrollment Officer.

Mr. Qaderi completed his Bachelor's degree from our very own Kardan University and has two years of experience.

Mr. Qaderi's dedication to providing excellent service to potential students is commendable. His insights and contributions to Kardan University's mission of providing quality services will be invaluable.

Mr. Qaderi can be reached at s.qaderi@kardan.edu.af.

We welcome Mr. Qaderi to the Kardan University team and look forward to his contributions in the years to come.

Fazal Maula

Fazal Maula Safi - Lecturer at Faculty of Computer Science

We are pleased to introduce Mr. Fazal Maula, our newly appointed faculty member in the Faculty of Computer Science at Kardan University. Mr. Fazal Maula has recently joined our team, and we are thrilled to have him on board. Mr. Maula completed his Master's in Computer Science from City University, Peshawar, Pakistan.

We are confident that his hard work and dedication will not only benefit our students but also contribute to the growth and development of our institution.

Mr. Maula can be reached at f.maula@kardan.edu.af.

Please join me in extending a warm welcome to Mr. Fazal Maula at Kardan University.

New Employee's Feedback

Maiwand Samadi

I am Maiwand Samadi joined a pioneer and leading professional university in the region that is Kardan University the month of April 2023 as an Assistant professor of the BBA Department Faculty of Economics. Kardan University has many extraordinary characteristics that I have experienced and experience as follows; begging with, friendship perimeter exists indoors that is the close connection between academic and non-academic staff. For example, the initial day of the Human Resource manager cooperative made me astonished and mute. Secondly, it surrounds a cooperative leadership style that exists at the top level that is straightforward to interact and talk without obstacles. For example, before I started taking class dean of faculty came to my cabin and said welcome to Kardan University. As a result, should you have any problem without hesitation, you can call me. Thirdly, it organizes distinct career development programs. For example, I have joined a workshop on Research. To conclude, Kardan University is a professional and leading university has a friendly environment and a cooperative leadership style.

Samiulhaq Qaderi

I am Samiullah Qader, Enrollment officer at Kardan University. I bear a bachelor degree at Business Administration (BBA) from Kardan University the number one university of country.

I am so proud to be member of the large family of Kardan, as both student and employee. Kardan is an academic environment where professionalism is being practiced and here the talk is being walked at all team level. What makes me much more delighted for being here as member of this excellence organization is the learning environment where I can enhance my knowledge, skills and experience by directly working with experts and professional staff. Besides, it is good opportunity for building my career. Working at such a vibrant environment is really motivator because, it leads to growth and success.

Fazal Maula

It was my cherished desire to be a dedicated lecturer in a prestigious university soon after my higher education. Now I am in service as lecturer in Kardan University Kabul. Nowadays, most of the times on different situations, I am identified as Kardan University Lecturer. I always consider this as a matter of pride for myself, this identification. I am honestly proud of the university's quality education, qualified lecturers, and quality infrastructure for providing these qualities to thousands of students that enjoy their unique statuses in society.

They all feel proud for being taught at Kardan University Kabul.

Fazal Maula Safi – Lecturer at Faculty of Computer Science

Employee of the Month

Zabihullah Barakzai

Assistant to DRD

It is with great pleasure that we announce Mr. Zabihullah Barakzai as the employee of the month for May 2023. Mr. Barakzai has been recognized for his exceptional performance in the past two months.

Over the last two months, Mr. Barakzai played a vital role in preparing thesis defense sessions for more than 40 students and finalizing the complete thesis process for over 50 students.

He also demonstrated his expertise by coordinating with various faculty and departments in the domain of research and communicating with the reviewer's board and authors of Kardan Journals.

In addition, Mr. Barakzai has been instrumental in streamlining the documentation and coordination for publishing upcoming issues of Kardan Journals and preparing the required documentation for accreditation of Kardan Journals at the Ministry of Higher Education in Afghanistan.

Please join me in congratulating Mr. Barakzai on this well-deserved recognition. His hard work, dedication, and commitment to excellence have made him a valuable asset to our team, and we are lucky to have him on board.

Achievement

The International Accreditation Council for Business Education (IACBE) in its meeting on April 11, 2023, granted reaffirmation specialized business accreditation to Kardan University's BBA degree program. The Faculty of Economics has demonstrated compliance of its business program with the IACBE Accreditation Principles through a rigorous process of self-evaluation and independent peer review.

Among other things, the accreditation means that Kardan University's degree is recognized internationally, providing degree holders with a competitive advantage globally. This is a significant accomplishment that reflects Kardan University's commitment to providing quality education and meeting rigorous international standards.

Congratulations to the academic fraternity of Afghanistan.

University News

International Journals of Kardan University were granted publication license by the Ministry of Higher Education

Kardan University's Department of Research and Development (DRD) is pleased to announce the issuance of a License of Publication to its journals by the Ministry of Higher Education.

Along with teaching, Kardan University pays special attention to research and believes that it is necessary to find solutions to issues related to Afghanistan by adopting the Afghan perspective. Therefore, the said university has established a research and development department and regularly publishes four prestigious international research journals in different fields. We are proud that the Ministry of Higher Education has also assigned the official publication license to these four international research journals. If you want your scientific research to be published in standard international journals, then Kardan University is at your service. Share your articles with us for future issues and enjoy the privileges of research publication.

**We were the most humiliated people on earth and
God gave us honor through Islam."**

Training and Development

Data Analysis through SPSS

In order to enhance the research capacity of the academic and non-academic staff at Kardan University, the Office of Faculty Development Coordinator (FDC) organized a two-day training session on “Data Analysis through SPSS”. This session was facilitated by Dr. Kalimullah Khan, Department of MBA. The goal is to enable academic and non-academic staff of the university to conduct standard applied research.

Publish or Perish

Kardan University is committed to research and academic excellence. Thus, a seminar was conducted on "Publish or Perish" to enhance awareness about the importance of research and publication for academia, and to assist its faculty members and students navigate the pressures and challenges associated with the publication process. Dr. Habib Gul, Dean Faculty of Economics, emphasized the significance of publications, discussing the reasons for publishing, highlighting the potential consequences, and offering strategies for managing this pressure. Kardan University facilitates the researchers to produce high-quality work that contributes to the scientific community and advances the field of knowledge.

Strategic Plan of Kardan University

As part of its efforts to ensure compliance with and help the academic and non-academic staff enhance their understanding of the Strategic Plan, the Office of Faculty Development Coordinator (FDC) arranged a workshop on the “Strategic Plan of Kardan University” for academic and administrative staff.

The workshop focused on the elaboration of the mission, vision, values, strategic objectives, strategic commitments, and initiatives of the university. The workshop was delivered by Mr. Maiwand Samadi, lecturer Department of BBA at Kardan University.

Faculty in Focus

We are pleased to recognize Mr. Abdul Tawfiq Pouya, Academic Administrator; Department of Civil Engineering, as featured faculty at Kardan University.

Mr. Pouya holds a master's degree in Structural Engineering and has extensive experience of working with national and international organizations in Afghanistan.

He continues to inspire and motivate our students to excel in the field. He has published research papers in national academic journals, including the Kardan Journal of Engineering and Technology. His research interest and expertise in vertical structures and construction materials make him an invaluable asset to Kardan University. Congratulations, Mr. Pouya, on this well-deserved recognition!

تجلیل و عید مبارکی جمعی

کارمندان پوهنتون کاردان بعد از تجلیل از عید سعید فطر و رخصتی عمومی، چهارم عید به دفاتر خود رجوع کردند و در خدمت محصلین قرار گرفتند. کارمندان اکادمیک و اداری پوهنتون در برنامه جمعی عید مبارکی نموده و عید سعید فطر را تجلیل کردند. این برنامه با حضور رییس پوهنتون کاردان، معاونین، استادان، کارمندان اداری و خدماتی برگزار شد.

مصاحبه همراهی محمد شعیب کارمند دیپارتمنت شمولیت محصلان

سلام همیشه خود را معرفی کنید و بگویید چند سال می شود که در پوهنتون کاردان کار می کنید؟

علیکم السلام، اسم من محمد شعیب شجاع دوره لیسه را در مکتب استاد خلیل الله خلیلی به پایان رسانیده و اکنون محصل سمسٹر سوم در رشته کمپیوتر ساینس در مقطع لیسانس میباشم. چهار سال می شود که با خانواده کاردان کار می کنم.

چطور در پوهنتون کاردان شروع به کار کردن؟

چهار سال قبل آگاهی استخدام کارمند خدماتی در پوهنتون کاردان را دریافتم و خوشبختانه بعد از اینکه درخواستم را برای بدست آوردن این فرصت شغلی که همزمان به مشکلات اقتصادی مواجه بودم فرستادم توانستم سفر کاری خود را در بهترین پوهنتون افغانستان آغاز کنم.

چگونه توانستید به موقف فعلی تان برسید؟

بعد از پیوستن به فامیل کاردان تنها موردی که توجه ام را بخود جلب کرد این بود که پوهنتون کاردان را پر از فرصت ها دریافتم، که با داشتن پشت کار میتوان به آن فرصت ها دست یافت و پیشرفت نمود. همین مورد سبب شد تا انگیزه حاصل نمایم و بتوانم به موقف فعلی ام برسم. و در زمینه از رئیس صاحب اجراییوی پوهنتون کاردان و دیپارتمنت منابع بشری سپاس گزار هستم.

چی چالش های پیش رویتان داشتید؟

بعد از فراغت ام از مکتب بنا بر ضعف اقتصادی نمیتوانستم راه تحصیل را ادامه بدهم، بنا در پی بدست آوردن شغلی بودم تا بتواند مخارج تحصیلی ام را تامین کند و خوشبختانه در پهلوی بدست آوردن این فرصت در این نهاد معتبر توانستم به تحصیلاتم پردازم، همچنان طی سالیان دوره کاری ام در این پوهنتون شاهد پیشرفت و ارتقاع همکارانم بودم، این موضوع خیلی بالای ذهنم تاثیر گذار بود که آیا روزی من هم میتوانم هم مانند دیگر همکارانم در این نهاد به موقف بلندتر برسم یا خیر همین موضوع سبب شد تا انگیزه حاصل نمایم و دریابم اینکه با داشتن پشت کار و عضو راسخ من نیز میتوانم یکی از آنان باشم حتی اگر من حیث کارمند خدماتی در این نهاد نقشی داشته باشید فرقی نمیکند چون شایسته سالاری یک اصل واقعی در اینجا پنداشته میشود.

پیام تان به دیگر جوانان چیست؟

از آنجای که زندگی اکثر جوانان در جامعه ما مملو از مشکلات گوناگون میباشد. میتوانم بگویم اینکه جوانان مشکلات را من حیث چالش بپذیرند زیرا متضمن پیشرفت یک انسان در چالش پذیری آن میباشد، پذیرفتن چالش در همه عرصه های زندگی زمینه ساز پیشرفت و کسب تجربه میباشد.

به چی اندازه در دیپارتمنت شمولیت محصلان خود را موثر فکر می کنید؟

من در ایجاد روابط مهارت خاصی خود را دارم چون دفتر ما ضرورت به داشتن روابط دارد بنا من خود در ایجاد روابط با ارگان های مختلف چی دولتی و غیر دولتی نقش اساسی را بازی کرده می توانم و من فکر می کنم که اگر در این بخش از من استفاده زیاد شود به همان اندازه برای دیپارتمنت شمولیت محصلان موثر واقع می شوم.

چگونه توانستید به موقف فعلی تان برسید؟

بعد از پیوستن به فامیل کاردان تنها موردی که توجه ام را بخود جلب کرد این بود که پوهنتون کاردان را پر از فرصت ها دریافتم، که با داشتن پشت کار میتوان به آن فرصت ها دست یافت و پیشرفت نمود. همین مورد سبب شد تا انگیزه حاصل نمایم و بتوانم به موقف فعلی ام برسم. و در زمینه از رئیس صاحب اجرایی پوهنتون کاردان و دیپارتمنت منابع بشری سپاس گزار هستم.

پیشنهاد تان برای بهبود کار در دیپارتمنت شمولیت محصلان چیست؟

هنوز زود است که من در مورد بهبود کار نظر بدهم اما نظر به تجاربی که در این چهار سال در پوهنتون کاردان دارم و همیشه نظریات محصلان و کسانیکه بیرون از پوهنتون با من به تماس بوده اند اگر پوهنتون کاردان بتواند بخش طب را در این پوهنتون فعال بسازند ما میتوانیم در جامعه علمی افغانستان تغیر دیگری را شاهد باشیم چون پوهنتون کاردان در هر بخشی که فعالیت دارد زیادتین توجه شان به کیفیت است نه کمیت پس ما میتوانیم در آینده داکتر صاحب های خیلی موفق به جامعه تقدیم نمایم.
