Reflection

Kardan, derived from the Dari term for "Professional," is a renowned educational system that offers comprehensive training and equips individuals with a diverse range of skills beyond their existing knowledge and expertise. This is due to the standardization of the organization and its system, which enables committed individuals to excel in all aspects of their work with exceptional speed and efficiency.

Joining as a lecturer at the Faculty of Engineering, I initially found it challenging to adapt to Kardan's unique learning environment, which differs significantly from the country's conventional pedagogical approach. However, I quickly embraced the opportunity to take on additional administrative assignments in addition to teaching, and have since grown stronger as a result.

This is primarily due to the unwavering support of Kardan's robust system and team, which consistently strives to empower and enhance its employees' capabilities.

Undoubtedly, working within the dynamic and supportive environment of Kardan will bolster my skills and enable me to pursue a successful career path in the future.

Employee of the Month

We are thrilled to announce Mr. Abdul Qaher Afzali as the Employee of the Month for the month of September 2023. Mr. Afzali has been elected by our selection committee for his outstanding contributions to the Department of Quality Assurance over the past two months.

During this time, Mr. Afzali played an important role in developing the Ministry checklist for all university employees, sharing his exceptional expertise with the entire staff. He worked closely with the Chancellor's office, Chief Operating office, and

Academics to ensure the university's quality assurance process was effectively implemented, providing relevant offices and departments with comprehensive checklists.

Despite his busy schedule, Mr. Afzali went above and beyond by conducting training sessions to all administrative staff, equipping them with the necessary knowledge and skills to excel in the quality assurance office checklist.

Please join me in congratulating Mr. Afzali for this well-deserved recognition. His unwavering commitment, hard work, dedication, and energy have made him a valuable asset to our team.

New Employee's Message

Waliullah Shinwari

Lecturer, Faculty of Computer Science

I appreciate the university's commitment to fairness in selecting faculty members, which has nurtured a sense of pride in being a part of this esteemed institution. The recruitment process that brought me here was remarkably transparent, reflecting the institution's commitment to meritocracy. Joining Kardan University as a computer science lecturer has been a professionally enriching experience.

The new facilities at Kardan University have made a lasting impression on students.

An ideal environment for teaching and learning is provided by the modern labs and well-equipped classrooms.

A dynamic and interesting learning environment is created by the university's commitment to modern infrastructure, which guarantees that both staff and students have access to the latest tools and technology.

The culture of Kardan University consists of collaboration. My integration into the university has been straightforward because of the friendly nature of the faculty and administration. Administrators and colleagues have been friendly and helpful, fostering a sense of community and common objectives. This culture of cooperation improves our capacity to deliver outstanding education and enables students to succeed in the field of computer science.

New Employees Message

Khalilullah Akbari

Lecturer, Faculty of Computer Science

Kardan University is widely regarded as a prestigious institution in Afghanistan, owing to its high standards and impressive track record of producing successful alumni. As someone who has previously been an assistant professor at other universities in Kabul, I have found Kardan to be particularly focused on its vision and mission. They prioritize long-term goals that can bring value to society, rather than entertaining any wasteful activities.

The university should have a global outlook towards sharing knowledge and science. To facilitate the ease of sharing knowledge, having a common medium of instruction is crucial in many aspects. Therefore, Kardan University's choice of English as the medium of instruction is another significant advantage.

The success of an educational institution depends on its faculty members. A group of hardworking faculty members is the backbone of any institution, as they are responsible for imparting knowledge to students and guiding them toward their career goals. Kardan University faculties are working to prepare students to face the challenges of the world and have a bright future.

د بریا په لور هیله او د لاسته راوړلو له پاره یې هڅه!

د نړۍ په گوټ گوټ کې انسانانو له پاره فراغت یو له خورا خوندورو احساساتو څخه دی، هغه که د هرې مقطعي فراغت وي.

زه هم په خورا ویاړ سره د زما پوهنتون د ژورنالیزم "عامه اړیکو" له ډیپارټمنټ څخه فارغ شوم او اسناد مې ترلاسه کړل. یاد سفر که څه هم له لوړو ژورو او کړلیچونو ډک و، خو د خدای په فضل د کورنۍ او همکارانو په مرسته مې را لنډ کړ، دا دی اوس د لیسانس د کچې زده کړو ترلاسه کولو ویاړ راسره دی.

تمه ده چې دا مې د علمي سفر د پای ټکی نه وي بلکه تر دې نور هم وړاندې ولاړ شم. زه د کاردان پوهنتون له محترمي ادارې او خپلو ډېرو د قدر وړ همکارانو، په ځانگړي ډول له احمد حارث او حامد خان څخه نړۍ مننه کوم چې د یادې دورې په بشپړولو کې یې له ما څخه هېڅ ډول مرسته نده سپمولې.

- هیله ده چې دا لاسته راوړنه مې کاردان پوهنتون او یادې اکاډميکې ادارې ته د لازيات خدمت کولو پلمه وگرځي.
