Laboratories

Kardan University is the first and leading private University in Afghanistan. Established in 2002, the University aims to inspire academic and professional excellence. Besides national accreditation, Kardan University is accredited by the International Accreditation Council for Business Education (IACBE) and The Accreditation Council for Business Schools and Programs (ACBSP). Moreover, Kardan University is the only member at the Global Business School Network (GBSN) from Afghanistan. Kardan University is leading innovative approaches toward excellence in academic and research initiatives.

The University focuses on improving teaching and learning quality, strengthening applied research capabilities, and enhancing its international research partnerships as part of its five-year strategic plan (2025-2021). Kardan University has forged collaboration and partnerships with multiple national and international institutions, including accreditation bodies, colleges, and universities as well as leading industry partners.

Kardan University has received business program accreditations through the International Accreditation Council for Business Education (IACBE), The Accreditation Council for Business Schools and Programs (ACBSP) and member with AACSB.

Kardan University is also member of CHEA International Quality Group (CIQG), Asia Pacific Quality Network (APQN) and Global Business School Network (GBSN).

Students are pursuing diploma, undergraduate and graduate programs at Kardan University's in Kabul with an alumni network of around 30,000. Kardan University is a household name in Afghanistan renowned for its academic excellence. More than 600 of Kardan University graduates have received prestigious graduate scholarships, including Fulbright, Chevening, DAAD and more.

OUR VISION

In the Spirit of Excellence, Aspiring for Knowledge and Growth

OUR MISSION

A Vibrant University, Inspiring Academic and Professional Excellence

Graduate Programs

Kardan University offers master-level degree programs through its School of Graduate Studies in Business Administration and International Relations.

Master's in Business Administration (MBA)

Kardan University's Master's in Business Administration (MBA) prepares individuals for professional career opportunities in today's challenging business environment. The program equips its graduates with the knowledge, skills, and competencies necessary to achieve their professional business objectives.

The MBA program at Kardan University is designed in a way that students broaden their perspective of business and include Management, Marketing, Accounting, Human Resources, Organizational Behavior, and Business Research.

Students who have completed bachelor's degree in economics or related field are required to take 42 credits in order to graduate. However, students who have completed their bachelor degree in other fields will require to take 60 credits to graduate.

To enable student becoming business management leaders.

To be recognized as a trendsetter in management education with the core focus on achieving academic excellence.

Master's in International Relations (MIR)

The Masters in International Relations prepares graduates for service in the fields of International relations, Peace building, Diplomacy and "National Security. The program duration for students with a bachelor's in the IR or similar discipline is two years. However, for students with a bachelor's in a different discipline, the program duration is two and half years. Pre-requisite courses are required for students who do not have the required international relations background. Students from related fields are required to take 42 credits in order graduate while students from non-related fields are required to take 60 credits to graduate.

The Master in International relations is an intellectually rigorous graduate program designed for students with a passion for contemporary global issues.

Vision: To uphold a quality standard in imparting an international pedagogy and guiding practice within the interdisciplinary graduate study of International Relations.

Mission: Transforming our graduates through International Relations knowledge offered as robust coursework, project work and critical engagement, into effective practitioners.

To uphold a quality standard in and guiding practice within the interdisciplinary graduate study of International Relations.

Transforming our graduates through International Relations knowledge offered as robust coursework, project work, and critical engagement, into effective practitioners.

Undergraduate Programs

Kardan University provides students with a collaborative and inspiring environment where they can develop highly disciplined intellect and career-based knowledge that will help them succeed in the profession they choose. The University offers undergraduate level programs in Computer Science, Business Administration, Economics, Civil Engineering, Political Science, Law and Journalism.

Bachelor's in Computer Science (BCS)

A Bachelor's in Computer Science at Kardan University focuses on software, network and information system which includes theory, design, development and their applications. This degree opens exciting career opportunities for students both in public and private sectors.

The BCS program spans 138 credit hours and includes course modules in Computer Science. A wide range of electives and professional development courses are available to broaden the students' horizons.

Our Vision is to give regional recognition to the department of Computer Science as a leader in modern computing techniques, explore the hidden talent in students and make them able to integrate theoretical knowledge with practice to create a digital society.

Our Mission is to achieve excellence in modern trends in technologies via advance theoretical, experimental and applied research culture and to produce graduates having strong moral and ethical values, deeply rooted in Afghan culture.

Bachelor's in Business Administration (BBA)

A Bachelor's in Business Administration degree from Kardan University will provide students with the academic credentials, practical insights and business experience they require to transform their interests, and passions into a rewarding career. The department uses Experiential Learning and Student Centered Learning which are the best approaches of teaching and learning in the world, to ensure high-quality student learning.

The BBA program spans 138 credit hours and includes course modules in all major business administration subject areas. A wide range of electives and professional development courses are available to broaden your horizons.

Achieving excellence in business studies and research

Educating a diverse population of business professionals to successfully meet the challenges of domestic and global markets

Bachelor's in Economics (BSc. Eco)

The Bachelor's in Economics program is designed for those who wish to pursue career as analysts, economists, consultants, and managers at governmental ministries and private sector organizations. We use Experiential Learning and Student-Centered Learning which are the best approaches of teaching and learning in the world, to ensure high-quality student learning.

The Economics program spans 138 credit hours and includes course modules in economics. A wide range of electives and professional development courses are available to broaden the students' horizons.

To be a center of excellence in teaching, learning, and research in the field of economics.

to equip students with dynamic knowledge of economics, research, and skills required for sustainable economic development.

Bachelor's in Civil Engineering (BCE)

Students learn practical and soft skills, new trends in technology and critical thinking to develop their knowledge and understanding of different aspects of Civil Engineering. The Bachelor's in Civil Engineering is a four-year program.

Students are required to complete 150 credit hours covering core and general elective courses as well as thesis or a final project. The curriculum is founded on Outcome-Based Education (OBE) and Student-Centered Learning (SCL) as well as Experiential Learning principles

To Endeavour for excellence in educating, inspiring and mentoring future engineers

A leading engineering program offering quality engineering expertise committed to excellence in education, research and public services

Bachelor's in Political Science (BPS)

Kardan University's Department of Political Science is determined to provide the necessary knowledge about the ideas, political theories as well as regional and international developments to the students so that they possess the necessary political knowledge, familiarity and understanding of present day political issues.

The Political Science program spans 138 credit hours and includes course modules in political science. A wide range of electives and professional development courses are available to broaden the students' horizons.

To be considered change, solution and knowledge oriented by producing students who are professionally trained in political science.

Pursuing academic excellence, creativity, research, and professionalism in the discipline of political science.

لیسانس در حقوق

تدریس رشته حقوق مانند سایر رشته‌ها بر اساس سیستم کریدیت بوده که محصلان طبق آن می‌توانند مضامین خویش را با در نظر داشت علاقه و توان مالی، حداقل ۱۷ کریدیت، حد اکثر ۲۱ کریدیت انتخاب نمایند.

سیستم کریدیت، سیستم درسی پذیرفته شده بین المللی می‌باشد که محصلان را در رشد توانایی‌های علمی و عملی کمک نموده و فرصت‌های واقعی را جهت مدیریت زمان دوره تحصیلی و پیشرفت هر چه بهتر آنها فراهم می‌سازد.

تربیه نسل آگاه و متخصص به منظور
ارتقای سطح دانش حقوقی در رشته
قضاء و خارنوالی

برتری در آموزش مسلکی و تخصصی
رشته قضاء و خارنوالی

لیسانس در ژورنالیزم

دیپارتمنت ژورنالیزم پوهنتون کاردان مصمم است که به کار گیری نصاب جدید و به روز شده خویش را برای محصلان ارایه می‌کند که بتواند کادرهای متخصص و کار آزموده را برای اطلاع رسانی، آگاهی دهی، آموزش جمعی و نفوذ بر افکار عمومی جامعه تربیه کند. محصلان در جریان تحصیلات عالی شان در این رشته می‌توانند با معیارهای بنیادی، ژانرهای اساسی و دانش نوین مسلک ژورنالیزم آشنا شوند؛ و مهارت‌های مهم نویسنده‌گی، تفکر انتقادی، و توانایی برقراری ارتباط با طبقات مختلف جامعه آشنا شوند؛ هم‌چنان آن‌ها می‌توانند از دانش کافی در رابطه به وسایل ارتباط جمعی عصر نوین و از توانایی‌های خوب کاری در رسانه های چاپی، صوتی و تصویری برخوردار شوند.

دیپارتمنت ژورنالیزم پوهنتون کاردان داری ۱۳۸ کزیدیت بوده که محصلان نظر به علاقه و توان مالی مضامین خویش را انتخاب کنند. این دیپارتمنت با داشتن استدیوهای مجهز کاری بوده که محصلان با امکانات بالای می‌توانند از آن به بهترین شکل ممکن استفاده نمایند.

آموزش نسل جدید ژورنالیستان و رهبران
رسانه ای متعهد، پویا و متخصص مطابق
نیازهای روز

برتری در ترویج دانش، پژوهش، مهارت و
انگیزه دهی در عرصه رسانه و ارتباطات

Laboratories

Innovation Lab

Kardan University Innovation Lab is an enabling platform for Computer Science and Engineering students to let them put their learned theories to the test, learn new things, get familiar with new technologies, and be an inspiration for others. In i-Lab, we provide a learning environment where teams of students can build innovative products and gadgets using open-source hardware, open-source software, and available technologies.

<https://kardan.edu.af/iLab/>

CISCO Lab

In line with Kardan University's strategic goal of 'Excellence in Innovation and Growth', we are glad to announce the establishment of Kardan University CISCO Lab. The facility will enable Computer Science students, especially those studying networking related subjects, to practice the theories they learn in class. The lab will ultimately prepare the students for going ahead for CISCO Certifications which have high credibility worldwide.

<https://kardan.edu.af/CiscoLab/>

Engineering Lab

Kardan University Engineering Lab is equipped with the latest equipment which allows Engineering students to practice the theories they learn in class. The lab is devoted to the advancement of practical education and technology in the field of Engineering. Additionally, it offers student the opportunity to put their ideas together and come up with creative solutions to the existing problems related to the field of Engineering.

<https://kardan.edu.af/Academics/Faculty-of-Engineering-and-Technology/>

Computer Labs

Kardan University's computer labs offer modern IT services to students and faculty throughout the academic year. Computer labs include Windows systems, printers, a wide variety of current software, and high-speed connections to the Internet. Additional resources in select computer labs include flatbed scanners; audio, video, and image editing; web and print publishing.

<https://kardan.edu.af/News/Library/1071/>

Journalism Studio

Equipped with the latest features, the journalism studio of Kardan University is a perfect place for any professional production and recording. Leveraging its technologies and professional broadcasting equipment allows Journalism students to make anything possible. Also, students can utilize the studio to rehearse their practical work and improve their journalistic skills.

<https://kardan.edu.af/Academics/bj/>

Engineering Showroom

Kardan University Engineering Showroom is designed to illustrate the corporate values of the institution which includes innovation, research and growth – and it showcases the engineering equipment and solutions. The showroom does not only exhibit the facilities the University provides to its students but also acts as a source of motivation for technology-minded students.

<https://kardan.edu.af/Academics/bce/>

Moot Court Kardan

University Moot Court facility gives students a practical feeling of the courtroom environment. Students pursuing a degree in Law can hold practical Moot Courts sessions and practice criminal, social, and commercial cases under the supervision of their professors and laws experts. The students get a practical experience and are better prepared to serve in the justice and litigation institutions of the country.

<https://kardan.edu.af/Academics/bj/>

Criminal Technic Lab

The Faculty of Law of Kardan University established a well-equipped criminal technical laboratory in the year of 2020. In this lab, Law students can perform practical activities related to the criminal technical laboratory under the supervision of the laboratory expert.

Applying to the Program

You have several options to apply to Kardan University Graduate and Undergraduate programs.

We offer flexibility and support in every step of the way making your transition to university life easier.
